

Dressing Gown from squares

version 1

- Our example makes a dressing gown that will fit most people. You can make slightly smaller or larger versions.
- Our standard pattern is based on 12cm squares → 
- The squares can be knitted or crocheted
- Our samples were made in double knitting on a 4mm needle or crochet hook. Do not use a yarn thicker than double knitting, in case the garment gets too heavy.

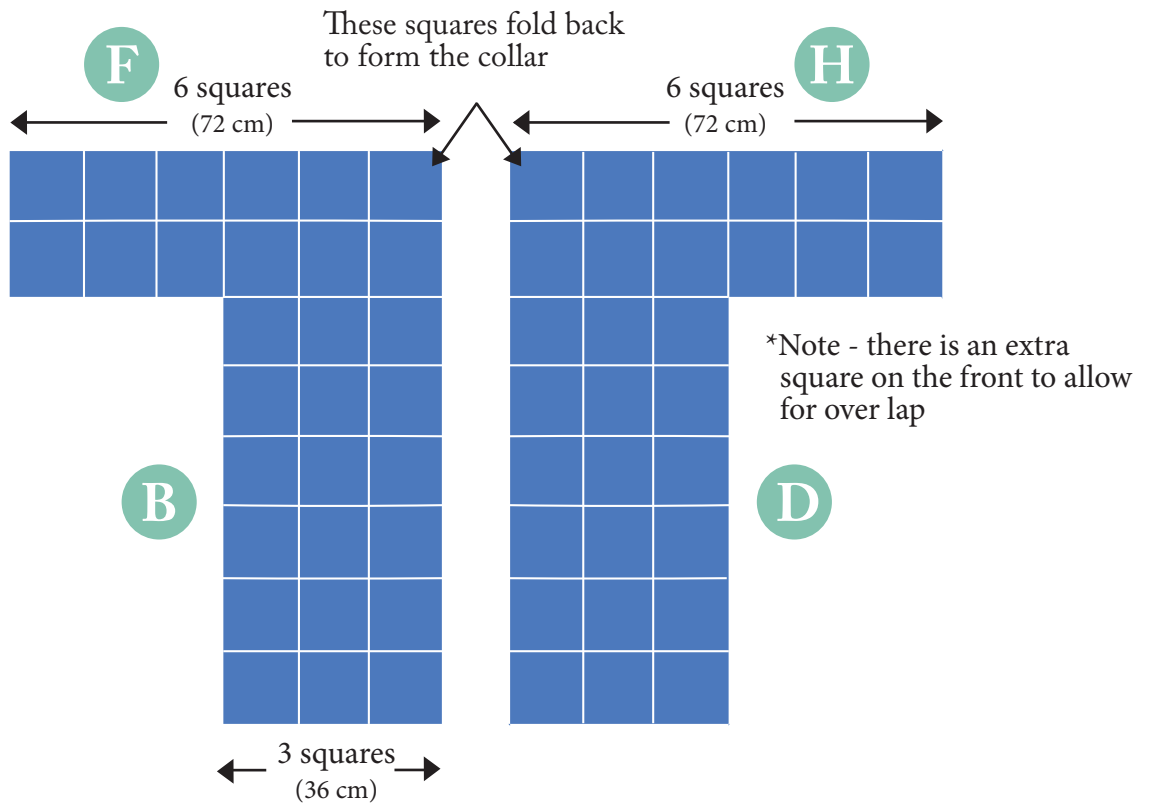

Back

Knit or crochet a belt 6cm wide by 180-200 cm long.
