DIETARY REQUIREMENTS

The Green Hotel is the opposite of a standard hotel where all rooms are the same. The simplest rooms are the travellers room in the side block, open onto the garden. All have ensuite bathrooms with showers.

There are one or two steps up to the ground floor rooms, and a staircase up to the first floor rooms.

The palace rooms are more quirky.

The cost of the holidays vary depending on the size of the room.

You are welcome to phone for more information.
